The place from Austin offers 18 different **dishes and drinks** on [the menu](#) at an average price of \$8.8. What [Perla James](#) likes about Victorina's Food:

In pleasant weather you can even have something in the outdoor area. Anticipate the **varied, delicious Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers), and you can look forward to the scrumptious typical seafood cuisine. As a rule, most dishes are prepared quickly for you and served, tasty vegetarian recipes are also on the menu available.
