Revisited the 3rd time in 2 months: Same Shrimp Pho (\$10) shrank in size!! They used to give more than 6 shrimps but now down to 4 only. No broth at all and noodle soup tasted like dry noodle... can't believe the inconsistency for the quality. So I changed my review from 5 to 4 stars. Try out this new chain restaurant and it turned out to be surprisingly good. We went to many Thai restaurants and this is the best one... [read more](#). The restaurant offers complimentary WiFi for its customers, Depending on the weather conditions, you can also sit outside and be served. The rooms on site are accessible, and therefore no problem for guests with wheelchairs or physical limitations. What [User](#) doesn't like about Palm Thai Cuisine:

I pick up my order and get all the way home just to find out that they left out the fried rice I ordered. I called them and told them of their mistake and they said I can drive back and pick it up. Where 's the customer service and quality anymore?? With portions going down, prices going up. 30 minutes round trip, which costs ME gas money and time. There was no offer of compensation like an appetizer for my time, gas... [read more](#). The catering service is also provided by the establishment for its customers, Thai meals are prepared here with the popular spices and fish sauces. The Asian fusion cuisine is also an important part of Palm Thai Cuisine. Anyone who finds the usual and generally known dishes too boring should approach with a willingness to experiment and try some exciting combination of ingredients enjoy, there are also **delectable vegetarian meals** on the menu.
