As a guest, you can use the WiFi of the place at no extra cost. What [James L](#) doesn't like about Lee's Hamburgers:

Ate here today, Sunday at lunch. Ordered cheeseburgers and onion rings. Burgers were just ok. Pretty much flavorless. Buns were cold. Onion rings were great. Large order was too much for 2. Check was \$30! Really? With 2 drinks! No atmosphere but service was good. [read more](#). With the comprehensive diversity of coffee and tea specialties, a visit to Lee's Hamburgers becomes even more attractive. And of course, you should also try the [delicious burgers](#), with sides such as fries, salads, or wedges provided. There are also scrumptious American dishes, for example, **burgers and grilled meat**. You can also look forward to the typical delicious French cuisine.
