Ordered the gumbo. They informed me that it no longer has crab meat in it. The taste is not as flavorful as it used to be and they only filled the large container half way. The shrimp in the gumbo is so small and it's not a lot of them. I understand that the cost of food has gone up tremendously. However, I much rather a price increase so they can provide the same great experience and taste they used to over this mop w... [read more](#). Bayou Cafe from Beaumont is a **comfortable café**, where you can have a small snack or cake with a *warm coffee* or a *hot chocolate*, and you have the opportunity to try fine American meals like Burger or Barbecue. One also grills South American here with fresh seafood, meat, as well as corn and potatoes, and you may look forward to the fine classic seafood cuisine.
