What [Emily Y](#) likes about The Kimbap: My go-to place for kimbap. Some days I'm just craving kimbap and I don't want to make it myself! I personally love the ssam kimbap and my husband and kids love the spam kimbap! [read more](#). The restaurant and its premises are wheelchair accessible and thus reachable with a wheelchair or physiological disabilities, and there is free WiFi. What [Miyako Igari](#) doesn't like about The Kimbap:

A huge variety of fillings that are easily customizable. Heavy lean on the meat. Was able to find a vegetarian option and loved my delicious kimchi kimbap for a light lunch. Cashier a little grumpy and intimidating to a non Korean speaker. Worst packaging ever (bulky wasteful black plastic packed in more black plastic bags) made me feel so guilty to take out from here so I probably will not go back even though the fo... [read more](#). Lovers of Korean cuisine are right at home here: The range includes Kimchi, a variety of diverse interpretations of Bap, alongside a multitude of tasty Jjigae that please the taste buds, Delicious particularly are the *Sashimi* and delicacies like *Sashimi* that this restaurant is known for. You have a special event and want to enjoy the food at your place? With the in-house **catering service**, that's easily doable.
