I ate the fried food last time. It was 4 stars. I tried the boil shrimp and crawfish. I'd give it 2 stars only because I like shrimp. It's hard to do shrimp wrong. This was more like a slurry, not a boil. I had the medium spicy. It was very spicy. The crawfish had no claws, which means they were not in season. If you need a boil fix. Try elsewhere. Again, fried seafood is okay. [read more](#). In Capitan Seafood Kitchen from Great Wood, expect *versatile, delicious Chinese cuisine* that's traditionally cooked in a wok, on the menu there are also a lot of Asian dishes. It's precisely the freshness and lightness paired with the typical spices that not only brings fine dishes to the plate, but also puts the visitors into a pleasant holiday feeling temporarily, Besides, the inventive blend of different meals with new and partially adventurous products is appreciated by the visitors - a beautiful case of Asian Fusion.
