Help us by **making available an overview of the dishes and drinks here**. What [User](#) likes about In.gredients: A wonderful and cheap food experience! You will need a Microsoft employee with you to get into the building. You will also almost certainly need a reservation. This place is very busy. Still this is absolutely worth it. I've never found a three course meal for such reasonable price before! Update several years later. This place remains a classic for Microsoft employees and their visitors. It's still absolutely worth... [read more](#).
