Gotta love googles rating system, this is a food truck. What kind of atmosphere do you think they're going to have? French fries were overly salty, but other than that tasted good; good texture. Next time I'll ask for them to be extra crispy. Flavor of the hamburger was very good and it was a fair size for the price. Shrimp or a good size, good breading, good flavor, tender. We will be back!! [read more](#). When the weather is good you can also have something outside. What [User](#) doesn't like about Dk Crawfish:

I am a true believer of customer satisfaction, they did not by any means, meet my expectations. For starters, they took forever preparing my order, I was extremely hangry. The crawfish needed salt, the fries were very hard as a rock. I feel like they did not put any effort in to preparing my order. Was the first and last time I go there. [read more](#).
