Burrito:

I love LA Burrito. I used to live right next to it and go all the time but I moved a year ago and still get it delivered all the time , it's sooo good, love the strawberry lemonade and the chocolate covered strawberries, Best shredded chicken tacos too, when my family visited I made them go to LA burrito with me and they all loved it too [read more](#). Anticipate the **varied, delicious Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers).
