They give you your monies worth but something is always off after I eat here, yesterday was my second time. Meatloaf and Turkey wings is what I've had with various sides. Nothing blew me away it's just ok. They are very slow being this is a buffet style set up just fix ppls plates and go but it's always a slow moving line. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities. What

[User](#) doesn't like about Rc's Kitchen:

I gave two stars because the food was delicious. However, if I walk into a business I expect good customer service without nasty attitudes. You don't know if someone is a secret shopper! Giving people nasty looks is disgusting. You don't know that person or what they are going through. I will be back to see if it's an update on the attitude and nasty looks. [read more](#). For customers of the restaurant, the catering service is also available, For you, the meals are normally prepared fast and fresh. Also, they proffer you *flavorful seafood menus*.
