Good restaurant, but they were forced out of business. The town's long established elders narrow minded locals will not and do not support new businesses or outsiders. Simply, though the food was good, the locals would not eat here. As a result, the BMG had to close their doors for lack of steady year round business ... even though tourists loved their food and atmosphere. Shame on you Beech Mountain. read more. As a guest, you can use the WiFi of the restaurant at no extra cost. At Beech Mountain Grille in Beech Mountain, flavorful barbecue is freshly grilled on an open flame and garnished with tasty sides, And of course, you should also try the delicious burgers, with sides such as fries, salads, or wedges provided. Without doubt, the right drink enhances every meal; with this thought in mind, this gastropub offers a rich range of tasty and local alcoholic beverages like beer or wine, It's possible to chill out at the bar with a *freshly tapped beer* or other alcoholic and non-alcoholic drinks.
