What [Karstein Myhre](#) likes about Wendy's:

Needs a fast meal and chose a grilled chicken sandwich. Delicious and fast! Spread chicken breastpiece with salad, tomatoes and honey mustard. I love it! Choose your own soft drink. Happy Tummies! [read more](#).

What [Samuel Gamez](#) doesn't like about Wendy's:

For \$43 for a family of four, this was a terrible value. Chicken burgers are slapped together, our request to omit tomato on one was missed, fries are crazy salty, got three straws for four drinks, and zero ketchup or other condiments offered or included. Really no sense of pride in preparation or effort to make the meal enjoyable.

Drive through fail and a mistake we won't make again. [read more](#). If you want to eat something tasty quickly, Wendy's from Ellensburg offers **scrumptious sandwiches, healthy salads and other snacks**, as well as cold and hot beverages, There are also delicious **South American** cuisine in the menu. Typically, the *burgers of this restaurant* are served as highlights along with filling side dishes like french fries, salads or wedges, Typically, the meals are prepared for you fast and fresh.
