Awsome! On Saturday evening without reservation and found a place at the bar. The bar is comfortable and for dinner for 2. We tried a selection of dishes incl. Shrimp, Gyoza, Makis, Spezialmakis and Eveything was really delicious and good. Fair prices for the value you receive and staff was amazing! [read more](#). What [Fabiola Pineda](#) doesn't like about Barchi:

No to bad! The food and drinks was good but the service is a little bit weird like they lifted my plate 3 seconds after my last piece! Oh! We was around 10 person and they wasted a lot time for the separates accounts, I recommended this place for couples no for a big plan. We take tempura sushi and a drink with guava o something like that and was really good. [read more](#). Barchi from Austin prepares for you scrumptious [sushi](#) (e.g., Nigiri and Inside-Out), as well as in many other variations, with fresh ingredients like fish, vegetables and meat. You can also relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, the visitors love having the chance to watch the latest games or races on the big TV in this *sports bar*, while also enjoying food and drinks.
