Here you can find the [menu](#) of Choi's Restaurant in Honolulu. At the moment, there are **18** menus and drinks on the food list. A friend recommended this restaurant in Waikiki where a special lunch menu requires ordering for everyone. While the service was lacking, the food selection left a bit to be desired. Another diner experienced a rocky start with valet parking but found the food to be hit or miss, with some items being quite good. A group of six had a mixed experience with excellent food but lacking service. However, for those willing to splurge, the delicious food may make up for any missteps in service. One diner had an exceptional experience with the authentic Korean cuisine, while another found the atmosphere to be hectic but the food to be worth the visit. Despite some areas for improvement, the restaurant offers a wide array of delicious Korean dishes that leave diners craving more.
