I visited this place tonight, I did not have this great service in a very long time, we were greeted and sitting immediately, only so we arrived in Happy Hour!! The food came so hot juicy it was delicious and full of taste!

After tax the bill was less than \$50!! I will definitely return to The Big Chill and Grill!!! [read more](#). What [Zola Schneider](#) doesn't like about The Big Chill and Grill:

07/14/22 We came for dinner. They didn't have any lemonade so my kids drank orange juice and my husband I drank water (so disappointing). The dip was okay. My husband said his coleslaw was very dry (driest we've ever tasted). I did not like my Mahi mahi tacos at all..something in them tasted like they came out the fridge (if u know what I mean, so I removed the fish and ate some pieces with A1 sauce, but thank God the fries were really good, cause if not I would've starved, but one of my daughter's said she loved her steak and salad. I wasn't impressed with this place so I may not visit again.
