A **comprehensive menu** of African Palace from Florissant covering all **18** menus and drinks can be found here on the menu. The African Palace restaurant in St. Louis has received mixed reviews from customers. Some have been disappointed with the changes in ownership, rude management, small portions, and overpriced food. Others have raved about the delicious dishes such as goat pepper soup, suya, and curry chicken. The restaurant offers a unique dining experience with traditional African cuisine that is flavorful and adventurous. While some customers have had negative experiences with service and management, others have enjoyed the ambiance and friendly waitstaff. Overall, the African Palace seems to be a hit or miss for diners looking to experience authentic African flavors in St. Louis.
