Very good food and good service. Food came quickly and was excellent. I had the chicken w/ lemongrass chili and the chicken was very well cooked. Melt in your mouth taste and texture. Overall I would fully recommend to anyone who likes Vietnamese food. The only thing I wish would change would be that more people went there. [read more](#). Gave it another try but it's just not for me. Smells like cigarettes inside. Wontons under cooked. Lemongrass chili shrimp the waitress told me was their spiciest dish but it didn't have much flavor at all. Rice was clearly old and crusty/harder than it should have been. No refills of water offered. Took a long time for someone to get my check. [read more](#).
