What [User](#) likes about *La Hacienda De Leon*: it was much nicer inside when I thought. everything we ordered quickly came out and tasted great. the waitress was friendly and helpful and because we went around 21 o'clock, the restaurant was almost empty. only the first order of chips and salsa are free, but it was in order, as there was no waiting time for our food. the price was not bad either. I'm sure it's coming back! [read more](#). What [User](#) doesn't like about *La Hacienda De Leon*: The first time I ate there there were 10 of us. The food was not good at all. Starting from the salsa and chip to the queso. Quesadilla were the smallest I ever seen for \$10.95. Taco Bell serves more that this place. My Chimmichanga was the size of a McDonald's small cheeseburger. I was not impressed. The only thing that I would even give a star to would be the waitress. [read more](#). Look forward to the **diverse, scrumptious Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), there are also **fine vegetarian menus** in the menu.
