The restaurant from Chicago offers **18** different **dishes and drinks** on [the menu](#) at an average \$5.6. Mundano is a hidden gem in Lincoln Park offering affordable wine and great ambiance. However, the food was a disappointment with flavors not quite hitting the mark and small portions for the prices. The Blanchard offers unique cocktails and menu items worth returning for, despite slow service possibly caused by understaffing. Phil Vettel's rave review did not live up to expectations at another restaurant, with salty, inedible food and poor service. In contrast, one reviewer claimed to have had the best meal in Chicago in years at a different restaurant, praising the food, service, and unique flavors.
