What [Ed K](#) likes about Wok This Way:

Everything I've ordered from Wok This Way has been super! The spiciness is just perfect, as well as the flavors and portion sizes. Even the two teas I've had have been excellent. Two favorite dishes are the dry cooked cabbage and the spicy eggplant. Keep in mind, they're closed all day Saturday. [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities. What

[Jennifer L](#) doesn't like about Wok This Way:

Please avoid takeout from this place. I ordered 6 ingredients in Malatang and it came with only 3. Also ordered mild spicy and the soup came wayyyy too spicy. The bubble tea I ordered is also disgusting. It tastes like either the boba is uncooked or it's been in the fridge for days. It's just... so bad. [read more](#). The comprehensive variety of coffee and tea specialties makes a visit to Wok This Way even more worthwhile. Many visitors show especially their enthusiasm for the **versatile, tasty Chinese cuisine**.
