What [User](#) likes about Gordo Taqueria: parking is rough. but it's worth it! literal hole in the wall, no seating, but outside is a bank. we love the carnitas super burritos. if they are a fan of chips and salsa, make sure they get 2 bags chips. (I have eaten most of them on the way to home). [read more](#). What [User](#) doesn't like about Gordo Taqueria: Gordo's has the market to its self on upper Clement. I can't speak to the quality of their meat, but the contents of their regular burrito, everything but meat, are good. What is not good, and all too common at burrito shops, is the steaming of a tortilla to get it warm. This makes for a soggy burrito, if you don't unwrap it immediately. You can ask them to put the finished product on the grill, especially if you ord... [read more](#).
