What [User](#) likes about The Cottage: The cottage is one of the best restaurants in Arizona. It is a French farmhouse Bistro inspired oasis that serves wonderful seasonal menus. As one of our many appetizers we enjoyed some of the best calf sweets I've ever had. We also pampered in pig brains, lamb shoulders, roast chicken and borillas. Save space for Dessert! Do not miss the chocolate skirt, beignets or crème brûlée. [read more](#). What [User](#) doesn't like about The Cottage: I was very excited to try The Cottage for a birthday dinner. I made reservations online a week ago and the day I said a call? We close this morning and have to cancel your reservation.? Very unprofessional and disappointing and gave me almost no time in advanced to make reservations elsewhere. Unfortunately, I don't think I'll try again.
