Waffle House:

I'll never eat in another Waffle house as long as I live. I simply saw the cook, at the location tampa west, drop a burgerpatty on the floor, pick up and brush. then he started to grill! the county health department will call me on Monday morning! the parking lot slips off from urin, and the people in the partie crawled as loud as the ultra in miami. there is a time and a place and it is not around 15 o'clock.
