This is the BEST Chipotle I have been to!! Excellent customer service! We placed a catering order and everything was perfect. I do not receive better service at other Chipotles around the city. I highly recommend this location. I can't praise them enough. I admit I was nervous because of it being on Colfax but again other Chipotles need to imitate these workers for their customer service is really good! Great staff!! [View all feedback](#).

What [User](#) doesn't like about Chipotle [Mexican Grill](#):

I decided not to order here being a vegan and seeing that the workers were spilling ingredients on the counter and then putting them back into the food containers to serve. it shows there can easily be cross contamination. I don't think I can ever eat at Chipotle again after seeing this sadly. the workers also didn't change their gloves, which is gross [View all feedback](#).
