This is my favorite location of Tim Hortons. The staff is very helpful and friendly. I was having issues with the app and the cashier took the time to help me with it. The egg, cheese and sausage on the pretzel bagel is always made perfectly. Never been here any other time than the morning on a weekday but their morning crew is some of the best. Worst Tim's ever I went in to order and they took about 6 minutes to ask to take my order with no one in there and that took forever to get, the sandwich was flat as a pancake with barely any meat. Stay away unless you just want a coffee [View all feedback](#).
