I love the Frisco Melt. The fries were hot and tasted good. I wanted to order onion rings, but they were out would have been useful to know that when ordering at the kiosk. There's really no atmosphere there. It was freezing inside. And all the tables were dirty. Does anyone working there wipe them down? [View all feedback](#). What

[Nicholas Bush](#) doesn't like about Steak 'n Shake:

Really the lady who delivers my shakes doesn't to the counter just says my name takes off I was going to ask for a drink carrier. Then my food isn't there so I wait on that. Then I am waiting over 10 mins and finally someone comes around and puts my food on the counter sorry I marked it off I thought it was for delivery. Then runs off before I could even say anything like really. Now the foods cold and everything els... [View all feedback](#).
