Gabby was AMAZING! Treated us non locals like a million bucks! In town on conference with Winnebago. And that's how we found Mat's Place! All around clean environment good service w a smile and the food was.... well if I had a shoe I'd throw it! AMAZING! Can't wait to see you in Montana some day! Look us up! Would love to show you the same kinda stuff! Chad [View all feedback](#). What [User](#) doesn't like about Mat's Place:

Not a bad experience. Service and atmosphere are ok. It's a bar serving food, and the food is good. Most breakfasts include coffee. Nice touch. All of their omelettes are made with 3 eggs (the way it should be). And the cook knows how to make them. They offer cheese and onions in your hash browns. I just may stop here again when I'm nearby.
