What [Fred M](#) likes about Niko Niko Sushi: Well-prepared and excellent quality of sushi. Taste so fresh rice and fish. So many great item, great experience dining there. The food selection is so amazing. A bit pricey but worth the quality of food. The presentation is fantastic and prompt service. [View all feedback](#). What [Victoria](#) doesn't like about Niko Niko [Sushi](#): Unlike others, I didn't find the fish to be that fresh. Tasted recently frozen, overly tough. Additionally, the hand cut rolls were not rolled tightly and the rice totally fell apart. Also felt a bit overpriced for the quality. [View all feedback](#).
