What a treat to find great Vietnamese cuisine near us. The menu has a wide variety, and satisfied our vegetarian eaters. The Stone Bowl rice dish was crispy and well sauced. The Pho was spectacular with so much flavor in the broth and generous portions of vegetables. We'll be back often. [View all feedback](#). What [Ntxawm T](#) doesn't like about Pho C C:

I came here during weekday for lunch by myself. It was quiet. Not a lot of people, great for single eat out, and quick lunch to satisfy the pho craving. Employees were nice and food came out fast. Condiments for the pho such as hoison sauce and sirarcha sauce were watered down. Pho broth was okay, but they gave a lot of meat per the picture. Eggroll is crunchy and oily, sauce to go with is plain. Overall, it's okay. [View all feedback](#).
