The restaurant from Seattle offers **17** different **meals and drinks** on [the menu](#) at an average \$2.3. What [User](#) likes about Rancho Bravo Tacos:

I was here a few times and I got a Streak Burrito and a Steak Torta. Your steak is so delicious, I can't move to order something else. You only have a few tables to sit outside, so it's probably the most convenient to go and enjoy somewhere else. This place has a good value. I'm gonna make this place a Mexican neighborhood restaurant. [View all feedback](#). What [User](#) doesn't like about Rancho Bravo Tacos:

Dinner on Thursday, ordered 3 standard menu options. Pig meat was tasteless in huge square pieces on tacos. Refried beans were not an option. Overpriced food made an unpleasant taste, like the service. Will not return. I'd like to rate 0 stars if I could. [View all feedback](#).
