this was our first time to come here, eating was good and the waitress is the best super friendly and so happy..we will go back I recommend it when you are in sedalia [View all feedback](#). What [User](#) doesn't like about Fortune Palace:

This place NEVER fails to provide high quality food. The outside of the building appears a little rough... Please do not let this stop you from visiting this restaraunt. The flavor just cannot be beat in the area. Most oriental diners seem to have almost every dish taste the same.... not so for Fortune Palace. Each dish carries its own flavor!
