Service was great. Food was cold when it came out and only got colder because we were sat in the corner next to a door to the outside and a drafty window. The chocolate cake was amazing. [View all feedback](#). What [User](#) doesn't like about Granite City Food Brewery Fargo:

It was not great. Server forgot to bring part of the order and the rest of the Food came out cold and server was nowhere to be found. We ate at 630pm and two of our party had the all you can eat fish special. Upon serving us our food, which took almost 45 min, they told us they were out of fish. What we did get was not great. No discount or apology. We won't be back here anytime soon. [View all feedback](#).
