The restaurant from East Northport offers **18 different menus and drinks on [the card](#)** at an average price of \$12.8. What [Johnathan Huels](#) likes about Brownstones Coffee:
The best french toast bites I have had in years real crispy with the fresh fruits so its not too sweet, we took the half portion to share. The other dishes we had were good but not excelent They have seating outside which is perfect on a sunny day. [View all feedback](#).
