I'm not a big Jamaican food person but that's mostly what is served in this area. There are lots of Jamaican food spots on Utica but this one is by far the best. The flavors are poppin. I always get the Jerk chicken with rice and peas and J is usually on the grill. The Jerk chicken does not disappoint and the rice and peas is soft enough. The curry gravy is tasty as well. I highly recommend. [View all feedback](#). What [User](#) doesn't like about Fishermans

Cove:

Oh my ! oh my chicken was so dry I couldn't chew it. And I like well done meat but impossible to eat. I guess I came at the wrong time. I thought that was their specialty. I would have waited for a fresh one. It tastes well seasoned but not well kept or warmed up but \$15 hurts that I couldn't eat it. A sad day. I was looking forward to it. Maybe I try their different location! [View all feedback](#).
