I never had a round grilled cheese sandwich. not sure if it was mad, but it was delicious! I had put them with crispy speck, and it brought me back to some great childhood memories. I love how they also season their fries. just amazing. nice, fast, Friday evening dinner for a few tired teachers. [View all feedback](#). What [User](#) doesn't like about Five Guys Burgers Fries:

This place seems pretty alright; I had heard plenty of positive things about it, but it ended up being pretty mediocre. Regular sesame seed buns, fresh cut fries that are the same as any other place that cuts them fresh. It was not worth the 18\$ I spent for a little burger (single patty), little fries, and a regular drink. EIGHTEEN DOLLARS FOR A BURGER COMBO. [View all feedback](#).
