we love mellow mushroom they have the best crust of all time! it is perfect in every sight! we get the mushroom [pizza](#) and veganize it, vegan cheese, we tempeh and no garlauchaoli. and it is amazing. the caramelized sweepers are a perfect finish. we also have the crushed avocado brushtta no butter or cheese and it is amazing!

love comes here. [View all feedback](#). What [Ramiro Harris](#) doesn't like about Mellow Mushroom: Plant based cheese option, no dairy or egg in the crust and lots of vegetables to choose from here. I really like the patio on the Cumberland store. There is draft beer available and this is a solid vegan [pizza](#) possibility for a store that's not in any way trying to be anything but a traditional pizza place [View all feedback](#).
