Consistently delicious, very fair prices, friendly and contemporary service. The atmosphere is the weakest connection of the dining room experience (legend boxes, could improve decorations etc.), if I could give 4.5 stars, I would and usually I would turn around when this scenario arises, but the food is really good so that I give them the 5. Perfect for pulling out! [View all feedback](#). What [georg moisey](#) doesn't like about Pho Viet Nam:

Pretty good tasting Pho and curry. Large portions. The Vietnamese iced coffee is really good and strong. The attached Vietnamese market has a nice variety of items not found in a traditional American grocery store, such as quail eggs by the dozen, Chinese sausages, and assorted foreign snack foods, rices, and noodles.
