Something is fish at this place! I always come with my mother stepfather to woods seafood when I was younger, as it is her favorite restaurant for seafood and it also happens to be mining. I went to woods today and I have my favorite fish dish the fish chips plate. there was a huge problem, though with this place. the problem is that I could not stop eating. I wanted another teller! yes. that's good! if they need the... [View all feedback](#). What [User](#) doesn't like about Wood's Seafood:

My family and I called to put in a take-out order and we were told twice to call back in 20 minutes because the kitchen was so busy? So we decided to go in person and place the order for three seafood platters for six and a side order of clam bellies and we were very disappointed to see the plates that we received. The plates of seafood for two or more like a seafood for one so we paid for the price of six and got the... [View all feedback](#).
