What [W](#) likes about Daruma Japanese Steakhouse And [Sushi](#) Lounge: I've eaten here three times now, and each time has been delicious with excellent service. In the evenings they have a pianist in the dining hall which adds to the special experience. Something I've learned is that their drinks are strong and their wine pours are large, so be aware if you don't want to drink too much! [View all feedback](#).

What [Daniel Riddell](#) doesn't like about Daruma Japanese Steakhouse And Sushi Lounge: It was a fantastic meal worth every penny. I feel like the only thing that would make the experience better would be more room at hibachi tables and more dressing options for salads but all in all excellent night [View all feedback](#).
