Coach's is a fantastic place to eat. Great service. They are a great place to work for. They treated my daughter great there. They work with you when you need day's off. I would give them more than five stars. [View all feedback.](#)

What [Daniel Rhoads](#) doesn't like about Coach's:

Got their cold glob that they called queso. Ordered it with beef added to it. Big mistake. Meat was super bland and took up almost all of the cheese. My wife got the Shrimp Dinner which was a soggy over salted mess. I had the French Dip which was super dry and the au jus was cold. The Super Fries that came with it were super bad.

Staff was friendly but whoever is in the kitchen either sucks or they need another food... [View all feedback.](#)
