Order of delivery from here and the order was delivered earlier than expected and correctly. Everything was great! Excuse my pictures, I started eating it before I could take a lol **View all feedback**. What **Ellen Moen** doesn't like about Bootleggers:

I go to listen to the music. Wasn't very busy. To long of a wait to get served at the bar. My beer was hot. 3 ladies behind bar and it took 5minutes for them acknowledge me standing at the bar. Poor service. 2 guys got served before I did. **View all feedback**.
