Last night we celebrated my best friend's 40th birthday there! I have to admit it was one of the best meals I have ever had in my life! I would highly recommend Cafe Du Jour for any special occasion or if you just want an incredible meal with a fantastic atmosphere! [View all feedback](#). What [Matt Frishkorn](#) doesn't like about Cafe Du Juor:

Really didn't care for most of the food but that's mostly because I don't care for fennel or capers. The service was pretty slow for only entrees our whole visit was about 90 minutes. In terms of the restaurant it had few tables but the space is small so it felt cramped and the music didn't fit the vibe of the cuisine or setting. [View all feedback](#).
