What [User](#) likes about Qdoba Mexican Eats:

It's hit and miss here. Just went in tonight (7/2/2022). They were out of (or running low on) many items, but staff was very nice, despite seeming like they were ready to get out of there. I totally understand wanting to be anywhere but work, but as a customer, I'm not trying to hear that, or feel bad for visiting 1 1/2 hours before closing. Food was good. Still worth a visit.
