Nice Chinese buffet with a wide variety of food. We were there around 7pm and the buffet was well stocked with everything hot and fresh. We like buffets of this type and I'd put this one near the top. [View all feedback](#). What

[User](#) doesn't like about Hong Kong Jade Buffet:

The food was delicious...however, there were Many hot service items that were NOT very hot. That was disappointing. In addition, several items were left on the steam table for a VERY LONG TIME, and were no longer tasty. [View all feedback](#).
