[User](#) likes about Culver's:

Sippy sippy, munch I like dinner and brunch. But sometimes pancakes aren't enough, I must go to Culver's if I want to be stuffed. The service is what a good woman calls great, The burgers had honestly and truly ate. But if one thing had impressed this maiden, It would be the one and only Caden. [View all feedback](#). What [User](#) doesn't like about Culver's:

win them 2 stars for the fast service, but I am disappointed to say the least. the double cheeseburger with speck ordered and it had NO sauce. not ketchup, low season. only meat, cheese and rolls. I was already on the autobahn to turn around. my passion ordered a drowning and they said it was terrible. Beyond that, I had some of their earthy in my mixer. not sure how it happened.
