We were staying next door for a week on business and ate here almost every night. Everything we had was excellent! We really loved the Molcajete!!! The staff was amazing and it's just a great place to hang out too. [View all feedback](#). What [User](#) doesn't like about El Jarrito Mexican Grill:

Service mediocre at best. Food decent but for the price I expected better though presentation was great your food should follow. I ordered the ribeye medium rare came well done. Once a party showed up we never saw our waiter again and we saw him twice. Not the worst it was good but for the price your money could be better spent elsewhere [View all feedback](#).
