fun here! because patti has taken over the administration of this bar, everything has improved. there are great music, cold drinks, nice bartenders. eating is also good. it is also a nice stop for a ride and if you need a place to sleep, it is in a hotel....forget a room! Just happened to go there because we saw a live band playing there. Great band I must say. Music was excellent! Sound was cranked a bit too loud for me but people seemed to enjoy it. I couldn't get too close it hurts my ears. No cover charge neither. However the band had to stop playing at 10 for some reason, some by law or regulations, too early in my opinion.
