we drove half an hour to find this hidden shade! great mood when they go in. our server paul was absolutely wonderful. he took care of everything we demanded. the wine selection, salad, appetizers, homemade pasta, dessert and espresso drinks were from this world! you can say that moscato be heart put in his menu. amazing taste and excellent. if they are ever in arizona, this is a place they don't want to miss. This was a nice building with nice employees. The Italian food was just okay, the salmon was fresh but the lemon, butter, capers sauce was broken and not very good. The house salad was very good. They were out of bread so not my idea of a Italian lunch. [View all feedback](#).
