the first time here and our server was brittany so helpful and attentive. my boozy cherry limeade was made perfection. our Steak dinners were perfectly prepared. at the end the bretagne surprised us with a generous portion of ice with illuminated candles for my man. overall had a nice time to celebrate hubby birthday. we come back and recommend outback. What [User](#) doesn't like about Outback Steakhouse Mentor: I ordered prime rib, medium. it came out like shoe leather, very well made and dry. the second came the same and a thin meat cut. that was it. I said not to bring anything else. they still accused me of my mushrooms. the nativity of my man was barely indirect, he held it, but it wasn't good. we are not going back. that is a lot of money for a moderate steak.
