[feedback](#). What [User](#) doesn't like about Noodles Company:

Overpriced for what it is. We payed \$65 for 4 people to eat for essentially fast food. The noodles tasted like they were from Cicis, if you know what I mean and the sauces used were syrup based, ewwww. You could eat at olive garden for cheaper and get better quality food. It wasn't the worst thing I've ever had but I am definitely not going back. [View all feedback](#).
